

In the event that the Doctor determines that outside labs need to be performed, you **will** receive a separate bill from Quest / Lab Corp for these services. The Lab will be given your current demographics as well as your insurance information that we have on file at the time of service. Please make sure that all of your information is up to date with the Front Desk. If you are not filing insurance, please be advised that you **will** receive a separate bill from Quest/ Lab Corp.
